## Storeperson

- 📍 Burnie, Devonport & North West TAS
- 🏠 Warehousing, Storage & Distribution (Manufacturing, Transport & Logistics)
- 🕒 Full time

### Who we are:

Drillcube is an innovative Australian-owned mining services company with our head office based in Perth. We are setting a new benchmark in the global underground mining industry by leading the change in how our clients procure and warehouse underground mining consumables.

We are a 'Shop in a Box' for premium quality ground support, drill cons, ventilation, HDPE, and laser system products, all at industry-low prices. Our goal is to help customers across the world safely achieve operational cost reductions by providing affordable, high quality products and consumables that will go the distance.

At Drillcube, we're well aware of the high value impact our solutions have on the world's leading mining companies. But we won't rest until everybody knows!

We are a close-knit, truly unique company with a dynamic business atmosphere. We are experiencing continual and rapid growth and are very excited to find our newest team member.

### What we are looking for:

Due to company growth, we have an exciting opportunity for a highly motivated and driven individual to join our warehousing team as a Storeperson with immediate start available in our Wivenhoe premises.

**Reporting to Operations Manager - Tasmania**, our ideal candidate will enjoy being part of a team that has a passion for delivering great customer service outcomes.

If you are keen to learn, possess a strong work ethic and are interested in developing your career in a role that offers challenge and variety, then this is the role for you. As part of the role, the successful candidate will travel to client mine sites and product training will be provided.

### The responsibilities of the role include, but are not limited to:

- Picking and packing orders which involves collecting products and getting them ready for dispatch.
- Unloading delivery vehicles and unpacking the contents of packages.
- Checking incoming goods against orders and inspecting them to ensure they are free of damage.
- Putting stock away in designated locations.
- Using warehouse machinery, such as forklifts, vehicles and tools.
- Performing regular stocktaking duties both on site and in our Wivenhoe warehouse.
- Complying with safety regulations to ensure a safe work environment.

### What you'll need to succeed:

Are you looking for a career where you can make a difference? You will be a result orientated, self-driven, focused individual, who thrives in a fast-paced environment.

### Critical success in this role will be:

- Minimum two (2) years' experience in warehouse operations.
- Knowledge and experience of warehouse management software and experience with computerbased inventory systems.
- A current forklift licence.
- A valid full 'C' Class driver's licence.
- Ability to manage own workload in a small team environment.
- Thrive in a fast-paced environment.

### Desirable criteria:

- Certificate in Warehousing Operations.
- Minesite experience.
- Experience with mining/engineering products.

### What's in it for you:

Competitive remuneration package.  
Opportunities for professional development and career advancement.  
A supportive and collaborative work environment and passionate team.  
A role you can make your own and thrive!

At Drillcube we are committed to maintaining an inclusive workplace that cultivates innovative thinking, teamwork and excellence. We encourage applications from candidates of all backgrounds and experiences.

Join us in shaping the future of underground mining. You can make a difference! **We invite you to join our team at Drillcube! Please submit your resume and a cover letter via the application link below.**
